Department of Mechanical Engineering

Jointly with

AU-FRG Institute for CAD/CAM

College of Engineering Guindy

Anna University, Chennai-600 025, India

AIM AND SCOPE:

The Second International Conference on **Materials, Design and Manufacturing Process (ICMDM-2023)** aims to congregate the researchers from academia, industries and scientific community to share their innovations in latest technologies. It will provide an insight to the researchers from the various domains about the intricate relationship between materials, design and manufacturing in pursuit of the challenges and modern practices in the industries.

Research contributions are invited from academia, industries and scientific community in the following domains for presentation in the conference.
