Secured Shopping

It is a concerned and critical area where everyone wants to make sure their online shopping is safe and secured. MyPad® assures that payments which are made by everyone are gone through a well-secured payment gateway. Our partnered payment gateway system direcpay is 100% reliable and secured. The payment gateway system is verified by Visa and MasterCard. It is powered and certified by VeriSign with Norton Secured and SISA respectively. Click http://www.direcpay.com [1] to see it yourself.
